Announcements

Westmoreland Nexus, as the name implies, is a bridge between your office and ours. It is our hope you find it a useful and efficient tool in providing you what you need when you need it at the touch of a few buttons.

Need to schedule a deposition? Want the added security of knowing a booking is logged directly into our system with no chance of a mixup or lost email? Can't remember if you previously scheduled and want to double-check and make sure you have a particular deposition on your calendar? Need to cancel or make a change to an existing booking? You don't have to wait to hear from us or play phone tag, though you are certainly welcome to do so. Your online calendar under the above "Jobs" tab always has the latest information on your upcoming depositions. Schedule a new job booking with the "Request New" button. View your calendar month by month or as a list. Focus your calendar using multiple search criteria, such as job dates, case name or witness searches in the respective text boxes. Get quick details simply by rolling your mouse over a listing. Click a listing for full details, even deposition location directions. Click on "Reschedule" or "More" to request changes.

Need to request deposition coverage but don't want to type a lot of information? Use our "smart" order form. Simply select a similar deposition from your calendar, then click Copy & New. Enter the new date and time, update any other information that changes and attach/upload any new files such as notices or subpoenas. Also remember, when requesting a new job booking, you can enter as much detail as you like, but only the fields marked with a red asterisk are required to log the booking.

Need a copy of an invoice or want to check your current outstanding balance? Want to pay an invoice online via credit card? Click "Account Activity" to see a list of your current outstanding invoices and balances. Click an invoice to see its details and download a PDF version for archiving or printing. Click on "Pay Invoice" to pay now. Looking for a copy of a previously paid invoice? Use the search filters to find it.

Need a transcript or other file? For access to any and all files, click "Repository." Use the search filters at left to pare down the list.

What is a Transcript Package? Click on the "Transcript Packages" tab and search for a particular witness. Utilizing this tool allows you to view the transcript in a more web-friendly viewer right from our system whenever and wherever you are. You can word/phrase search through any and all transcripts simultaneously in a case. You can create annotations and highlights that can be accessed at any time from anywhere. You can access your work from your PC, tablet or smartphone, work and sync to save.

Need our help? You can call us at 800-617-4543, email us at info@WestmorelandReporting.com, or you can click on "Support Tickets" and reach out to us through the Westmoreland Nexus.
